

Product Name Penny Mini Bluetooth Speaker

Description

This tiny speaker will surprise you with its BIG sounds! Portable Bluetooth wireless speaker you can carry with you wherever you go - even in your pocket! The perfect gift for true music lovers who care for the sound quality and don't like to use headphones. Forget about the built-in laptop speakers and go for this aluminum speaker that delivers loud bass and crystal clear sound. Now you have the luxury to listen to music anywhere without having to plug your device - no docking stations or tangled wires. It can be used at parties, at home, or outdoors. Show these speakers off at your table during the next tradeshow and watch as clients and customers come flocking to your booth. This wireless speaker is compatible with your cellphone, tablet, laptop, and more. Input: DC 5V.
