

Product Name Faraday Ambience Frame 10W Wireless Charger. PWB9085

Description

The Faraday Ambient Light charging pad would take your brand to the next level with the color changing frame around your logo (green and blue) as devices charge. Charge your cellphone, iPad or other Qi-compliant device with this wireless charging pad. Circle LED indicator to show the status by green (charged) and blue (charging). Aluminum casing (side and bottom) for easy heat dissipation and durability. Once your phone is properly configured, you can charge it by just resting it on the pad! Foreign Objects Detective: when any metal items are placed on the charger, the blue and green light flickers to remind the user. 4 points silicone anti-slip standards. flame resistant plastic (on the top) for improved safety. Add your logo or message to create a upscale tech-savvy branded promotion that your customers and supporters are sure to love. Comes in a gift box with instructions and micro USB charger.
