

Product Name Wichita Dual Port Power Bank - 4,000mAh

Description

Here's the skinny on this sleek and slim portable Powerbank Dual Port, which allows you to charge 2 devices at the same time! Some other highlights are the power banks on/off switch and the percentage indicators to show the battery level. Huge imprint area for your logo or message decorated with 1 color or laser engraved artwork. This high-quality aluminum case 3.8" x 4.7" x 2.6" bank is small and lightweight enough to fit into a purse or pocket - but the internal lithium-ion battery packs 4000mAh of recharging power. Top off or replenish the juice in your cellphone, camera, game system, or media player multiple times without having to search for an outlet. Add your logo or slogan to the large imprint area with a UV full color imprint or one location laser engraving. include a Micro-USB pin style cord, handsome gift box, and full instructions. Power output: -DC 5V/1A -DC 5V/2A Power input: 5V/2A Capacity : 4000mAh Battery Cell Type : Li-polymer battery *2.1A output for tablets
