

Product Name Disposable Children Size 3 Ply Face Mask

Description

These High-quality protective disposable 3 ply face masks are designed especially for kids - Suitable 3-12-year-olds. Every 50 masks come in a box. They are manufactured by a medical equipment factory: feature earloops and a metal nose bridge for a perfect fit. Made of cotton and non-woven melt-blown filter cloth, the three-layer filtration system effectively prevents a series of viruses and airborne pollutants. Mask size: 5.7" x 3.7". Color based on availability.
