**Product Name 2 in 1 car & home charger**

**Description**

The ultimate traveling buddy - use on the go, at home, and in the car! 2 USB ports, built-in international plugs, and a surge protector allows you to charge any electronic device - anywhere in the world - US, UK, EU AU! Top off or recharge your favorite electronic gear on a commute or road trip - recharge your USB-compatible Phone, camera, tablet, and more via the attachable USB port. Little construction makes the travel adapter perfect for travel, work, or home. Handles 100-125V and 220-250V. It is absolutely a lifesaver when traveling abroad - your clients will be thankful for it - and your brand will be printed in front of them, so they remember who to thank! Add your logo or emblem to this charger to create a great branded item for tech shows, cellphone retailers, or service providers.
